

## **PPDA Launches a Gulu Regional Office**

The public Procurement and Disposal of Public Assets authority established its first Regional office in Gulu, on plot 1 lower Churchill drive. The purpose of establishing the regional office is to bring services nearer the procuring and disposing entities; to ensure that procurement activities are undertaken in an efficient and effective manner, to deliver value for money. The Regional Office covers 31 procuring and disposing entities i.e. twenty two (22) districts, three (3) Municipalities, three (3) referral hospitals and three (3) universities.

The Regional office was launched on 29<sup>th</sup> May 2015 and from the time it started, the region has benefitted in the following ways:-

- i. Capacity building is easily built through demand driven and supply driven interventions. Training on procurement procedures PPMS and any other PPDA intervention has been easily done.
- ii. Advice is easily sought and solutions provided in a timely manner and stakeholders walk in at their will due to the proximity
- iii. Audits easily conducted with timely feed back in case of queries. Any pre-audit inquiries are easily made and responded to.
- iv. Accounting Officers, Procurement Officers, members of the Contracts Committee and Bidders within the three sub regions easily seek the opinion of the Authority on any procurement matters and get technical advice.
- v. Bidders' complaints are received in time, and addressed in a timely manner.
- vi. Investigations on procurement mal-practices are easily done within the region in a cost effective manner.
