PUBLIC PROCUREMENT AND DISPOSAL OF PUBLIC ASSETS AUTHORITY

LISTS OF COMMON USER ITEMS AND THEIR AVERAGE PRICES

OCTOBER 2022

FOREWORD

Section 7(n) of the PPDA Act, 2003 empowers the Authority where applicable to determine the prices of works, services and supplies which are used in common by two or more procuring and disposing entities and which may be subject to common procurement; and review the prices from time to time.

This list was compiled as a product of a survey of market prices as collected from several outlets in Kampala, Mbarara, Mbale, Hoima, Arua and Gulu districts in August 2022.

The list provides indicative prices to guide entities during the budgeting and procurement process and help entities achieve value for money by benchmarking quoted prices against market prices.

Though the list may not cover all items that are subject of public procurement, it contains the major items for services, works and supplies.

This list is available on the PPDA website www.ppda.go.ug.
