

FRAUD ALERT

Kampala, Uganda - 11th August 2026

The Public Procurement and Disposal of Public Assets Authority (PPDA) has noted with concern the circulation, through email, websites and social media platforms, of fraudulent correspondence purporting to have been issued by, or to be associated with, PPDA and/or Government of Uganda entities responsible for awarding tenders and contracts.

These communications are fraudulent and are intended to solicit money from unsuspecting recipients, particularly prospective international bidders. The individuals behind these scams are not employees of PPDA and are not authorised to act on behalf of PPDA.

Accordingly, the public and prospective bidders are advised to note that:

- **PPDA is the principal regulatory body for public procurement and disposal of public assets in Uganda.** Among other functions, PPDA is mandated to promote and ensure the application of fair, competitive, transparent, non-discriminatory and value-for-money procurement and disposal standards and practices by Procuring and Disposing Entities (PDEs).
- Please note that **public procurement in Uganda is decentralized.** Each Procuring and Disposing Entity is responsible for conducting its own procurement processes in accordance with the law. As part of due diligence, verify that any organisation claiming to represent the Government of Uganda is a bona fide public entity through its official website, telephone contacts and physical address.
- **Online government procurement and disposal processes are conducted exclusively through the Electronic Government Procurement System (e-GP),** accessible through the official portal: <https://egpuganda.go.ug/>.

If you have any doubt about the authenticity of an email, letter, telephone call or other communication purportedly originating from, or issued on behalf of, PPDA, please contact us through the official channels below before taking any further action:
